Hey kids, I was informed that one of my pics here was "borrowed" as a banner over at the comicboards.com (JLA forum) unbeknownst to me. I am okay, even flattered by this, as I explained to them, but the topic is getting heated over there. I'm pretty much done having said my piece, but I know how you guys like a good debate, so here's the url if you wanna chime in and help a brother out. (plus it's fun!) -Leif.
