If they won't give credit where credit is due then I say Fock them. That is bullscat and you know it as well as I do. So, Like force said... if you wanted it credited then that didn't happen... if you wanted it pulled then you won. I say we (Heromorph) go over to their house... knock on the door, and when they open it...lets kick the sh!t out of them. Yeah... lets handle this like adults.

Plus, you don't want your image in the banner of a site that has a bunch of Micro JLA guys as their primary Home page images anyway...
