Hey!

I just read this thread!

Prize #4?

Okay, just for that, I AM going to send in a pic of me naked. So there!

I just sent Winter the pic.

Now, that should make things interesting. Let the poor soul who falls in fourth place.....well some pepper spray in the eyes should help.

Sorry I don't have any of me and JR, they are still the property of Playgirl.

Now let's see if JR steps up

Sorry, but you asked for it

(sigh, the things they make me do for this site...I feel so dirty)

just so you know, you're all a bunch a sickos.....
