Alrighty people, December is upon us and with it comes a number of different holidays.

Your challenge for this month is to create an image that is **BOTH** holiday and Superhero related.

It doesn't matter what holiday in december you pick as long as it is an actual holiday. New years eve, Christmas, Hanukkah, boxing day, Kwanzaa or any other holiday that takes place during December.

example: Wolverine as a Mall Santa
the Hulk trying to go down a chimney with a bag of toys
Batman celebrating New years with Robin and Alfred
ETC..
ETC..

The due date is December 31, but you might want to post the image on or before the actual holiday shown in your picture.
