The coloring round is over. Thanks everybody who participated. Since we have only 3 entries and two of the artists are our webmasters we will be foregoing the voting this round and awarding the prize to bkpark for his wonderful colors on [Thanatos Captain America and Wonder Woman vs the Nazis](#)

**Congrats bkpark!**

Also this will close the 10th draw off. Anyone working on a manip of one of these drawings, keep going. These are very detailed drawings and we assume that this will take some time. When you finish and post it there will be a reward for the effort.

Stay tuned to the forums for the relaunch of the Heromorph Draw Off.
