Acctually... I don't think DD has ever said 'I have nothing to say about that'.

Chillyplasma: 'No, I'm not angry.'

Shade: 'You're right... It WOULD look much better in colors. I think I'll go color it.'

Daruma: 'A guy wielding a sword? Oh Please, that's sooo gay.'

JrMcDeath: 'Ewww...I would *never* do her.' or 'Tentacles? Now that's just gross.'

VampireLover: 'Yes, that really is a pic of me with blue skin. Hold on, I'll send you an unaltered version.' [prove me wrong VL, prove me wrong
]

Winterhawk: 'Why are you asking me? I'm not the boss around here.'

Dark_Wanderer: 'There's just too much metal in this pic. Try doing some cloth for a change'.

Miss Vee: 'Oh christ, not another bondage pic.'

and finally...

Matrixblur: 'no, I can't do that... that would be a low blow'
