Brilliant!

A lot of the good ones have been taken, but let's see what I can do?

Winterhawk: Leave the website alone, it will take care of itself.

Bikerbot: I have no opinion on this. At all.

Jr: I'm going to have a drink of water and a salad, before I go to bed early.

Miss Vee: you are all chauvinists and far too violent to women!

Brick: S#%&^%\$# @\$\$ >{0%4j# =\$ers!

Billy: Last night I saw both my parents, 3 nuns, 7 orphans and a zoo-ful of cute baby animals die. I didn't shed a single tear.

Buffy: Don't tell him, but I hate Thayne's drawings ? I'm just with him for the hot sex.

Thayne: Don't tell Buffy, but I hate sex. I'm just with her because she loves my drawings so much.

Daruma: Karn-itchy-war.

Dragondack: For my first picture I decided to draw?

Matrixblur: I have no time to play on a website, I have work to do, and fart jokes aren't funny.
