It all sounds stupid. I am glad I don't collect anymore. If Spiderman reveals himself then what is the need for a costume? He can fight crime in his skivvies. Dumb... dumb...dumb.

Even better...this will make Spider-man an agent of S.H.I.E.L.D. He'll be a government employee and he'll be ordered to take on government assignments. He'll probably be sent out to arrest friends who won't register. I want to know how they plan to keep Mary Jane and Aunt May safe. Spidey has lots of enemies and they will be prime targets. This will go badly for him.
