I saw the trailer for Clerks 2 a few days ago and been trying to find the name of a song in the trailer, I've tried at the Internet Movie Database but no one there knows, so hoping someone here at the great Hero Morph might know (the movie being written and directed by comic guy Kevin Smith) Ok here goes, the trailer starts with a green screen with "the following preview has been blab blab blab" after 5 seconds a car door opens and Dante gets out and opens the Quick Stop, sees the fire and closes it takes off his sun glass's and looks at the door, then the MGM and The Weinstein Company logo's come up with a song playing. Name that song and it's NOT Jerk It Out or Goodbye Horses

Sorry to go into so much detail but the people at the Internet Database kept getting it wrong
