Just wondering how everyone is coming along with their presents, as the big day approaches. Many of you have already sent your gifts (you know who you are), but many of you I haven't heard from. Again, if you have any questions or problems, pm myself or Daruma, who is playing Santa this year (he's the only one 'jolly' enough to fit in the suit). At this point, you can feel free to go ahead and submit your presents into the appropriate gallery, and me or one of the moderators will hide them in the closet until it's time to actually hand them out.
