How *bleeping* gay is this sh!t. Man, I am so glad that I quit collecting comics.

WTF? So, one bullet got them both? Hmmmm... yeah... OK.

And Peter Parker was WWII age? Or did "iron man" live well past his time? I really can't believe that I once collected Marvel comics. Sounds to me that they are writing for the movies now... considering that the movies can't make a good comic movie... might as well that the comics not make a good comic.
