I am in no way tryin to dog you on this. But me personally, I don't have a size preference..... I like big boobers. I like small boobesis. Hell, I like all of em in between. My prerequisite is that if they are big, they should look natural. I personally can't see how a yardstick with boobs bigger than her entire body is attractive. Again, not tryin to piss you off. Just voicing my 2 cents.
