Any photo would be welcome but I make a request: avoid sending me frontal views of yourselves, ladies and gentlemen! Please try other positions, OK?

Actually, I don't have a sketch for this idea because the whole pic (and the composition of the bodies) will depend on what you bring me to work on.

About you, Mr. MC: since you want to join this work but don't know these characters, it's better to wait the others choice. Don't worry because there will be a "hero" for you. I just don't know who. Thank you for the interest!

By the way, in the moment, all these characters, except the "Mule", are good-looking. I'm not sure if anyone here would want to be a "quasimodo"!

If this English is not shakespearean, blame my teacher!
