Shade, I would love to be included!

I think that it's wonderful that you want to honor your fellow heromorphers in this undertaking no matter who they are and whatever ranks they are. As for me, I'm simple all you have to do is take a pic of Darth Maul and make him green instead of red and also make his double-bladed lightsaber green as well. If you'd like to see some simple versions of what I'm talking about that I've done myself go here:

Thanks a lot!
