hey Hawk,

you're right. my apologies but I'm a little irritated that someone says that my sometimes less-than-perfect choices for URL links kills their creative mood. I am quite a happy person. someone doesn't like my link, simply pick another one to work with. cool?

Niel, I harken back to the words of Commander Stinger in Top Gun:  
"Son, your ego is writing checks your body can't cash."

Your cred around here is minimal to begin with. Perhaps you might consider becoming a Gold Member? As they say, put your money where your mouth is...
