Thanks for all the comments folks - It almost makes it worthwhile! Thanks to WH for getting it up so quickly (I hear he's good at that) and thanks and apologies to Chief O'Hara - I didn't mean to swipe so much! (I didn't realize it until I saw the whole comic. Co04 already has several photomanip comic books so maybe he'll try one. Thanks to BB for suggesting the idea. I included a special close-up scene for DD...

Love
