Really GREAT job on Part III! I especially liked the photo-montage of panels from Part I fading into the Dialogue Box which updates the fans on what has happened "thus far".

I do have a question [based on Cicero, (paraphrasing: "Comix is Comix; but Comix is Truth") (Sorry, I don't have the citation or the original Latin)]. My question is (through Cicero): "Does this Comic Book accurately reflect the way that the MODs (notice it rhymes with Gods) run the HM Website?"
