Guys, really liked issue #2. And I see you have finally discovered my Steak, Seafood and Pizza Palace. It was a well-guarded secret.

You must agree that those new uniforms I make the servers wear are quite appetizing! And doesn't **Generic Babe 06** wear it well! But she's rather clumsy... I would fire her if she didn't have to bend over so often to pick stuff up.

Can't wait till issue #3!
