I totally saw this cloud yesterday... Weird... It looks like the Green Lantern insignia to me!

See, now this is exactly what wolfe666 is talking about : I see Jr. screwing a sheep! Am I the only one who is seeing this...?

You don't need to look at clouds to see that.

BTW the best way to show it is a fake is to duplicate it.

Probably would take you five min with the clone tool and the healing brush.
