hey,

well, I certainly did not expect Oscar winning acting.

I highly doubt the creator decided "Oh yeah! This is serious thought-provoking material!" it's based on a 1930-1940s serial and, of course, the show is shut-your-mind-off-for-an-hour-and-enjoy fluff. I find it entertaining and, in lieu of an actual movie, this is fun mind candy. don't like it, don't watch, though according to Sci-Fi watchers it is like #5, #7 with the 18-40ish male crowd.
