hey,

WOW! I see the response to this show is overwhelming.

(or should I say UNDERwhelming?

) interesting that

COMICS2FILM said that it ranked in the Top 5 in Sci-Fi

shows. well, guess not. then again, the Sci-Fi Channel

does have some pretty lame stuff. so, to each his own.

I like it (sort of) and others don't. as the old TV show

sings "Different Strokes For Different Folks".
