"Fire - Android - due to services providing the Lady Heromorph image for this round, a free pass to the next round will be given to Android."

I thank the opportunity but, unfortunately, I won't have time for the Smackdown competition. I'm too slow...

However, I must offer my apologies to Mr. Winterhawk who spent his time writing such amusing script. Sorry, sir.

It's too late for her...

(Christopher Lee's voice on) I offer Fire in holocaust. And down comes the axe. (Christopher Lee's voice off)
