i know all bout busy i work 2 full time jobs back to back monday thru friday 16 hrs a day the smackdown is bout the only art i'm doing right now

I hear that! I used to do the same thing last year. Fortunately I don't need to do that anymore now. In my case, even though I've got the time, the Smackdown is pretty much all I've done artwise also. However, with October coming up I'll be doing the Smackdown and a Halloween project so I probably won't be posting as much in the next round.
