I think Heromorph is an ultracool site. I just love seeing all the different styles, and some excellent artwork. I have lurked around in the shadows for a long time, and finally started posting here. This site also encouraged me to start manipping, something I've been wanting to try for a long time.

A lot of helpful people around here, with constructive comments, and most of 'em answer my pm's when I send them. The only thing I have to say, and this is agreeing with WASMITH, I just don't get the smackdown!! I tune in here everyday, and enjoy it. I plan on keep comin' back!
