I have been a lurker at this site for more than a year. I came here from Comics2film.com. I like it here so much that I actually dropped c2f for hm. Now I have an account here and am starting to post stuff. I too have been inspired by the art at this site, it has even helped my 6 year dry spell.

To JediFan:

You are absolutely right. Too many people are self-important, girl-crazy, perverse idiots. They only like their own stuff. Or they want really big boobs. Or it has to be gay/ sadomasochistic porn. Or really shiny. It's obvious if you have every seen MIB 'cuz K say it. A person is smart, but people are stupid, crazy self-centered sheep looking for someone to tell them their opinion(for now TV does it for them). That's probably why comments are so lopsided to.
