I did this last year and I can't think of any characters so I'm letting my wife choose. Don't do any adult images of these please. She would also like them to be in a picture with a Christmas motif if possible.

Wonder Woman

The Gingerbread Man from Shrek. (If there isn't a Shrek comic yet there will be eventually.)

We can't think of a third so if anyone would like to creat a Christmas character that would be cool also.
