Okay, I've got my three now.

First: A rendition on one or more of the Compass Points, my "original" characters and current favorites. PM me for details.

Second: Terry McGinnis (I wanna see his face) from Batman Beyond.

Third: Tom Welling's Clark Kent from Smallville, if was actually cool.

I don't mind if they show a little skin (in fact I am kinda hoping) but please no member's Gallery or (super)lewd behavior.
