I appreciate the offer, Chilly!

Here's what I need:

1. short hair, longer in the front, sort of framing her face
2. tight black pants... doesn't matter if there are holes or pockets
3. long sleeve black shirt
4. a bullet black vest
5. black fingerless gloves
6. a fresh scar over her right eye
7. Wolverine's blades coming out of each hand

I'm posting a picture of Razor in the comic art gallery. I was looking at her when I described Firestar in my story.

If anyone's up to it, take any liberties you'd like. I just need the blades and the scar.

THANK YOU TO ANYONE WHO CONSIDERS!!!!
