"They sucked More then Jr at a sheep farm."

Damn Hawk you don't pull any punches do you? As far as going back and watching shows you used to like I would advise against it. You were young when you liked those shows, going back now and realizing how bad those shows actually are will only depress you by making you realize that you are getting old and that we didn't expect much when we were young. Be happy with the fact that you liked those shows as a kid.

That way you don't have to break into the local liquor store to drown your sorry butt in Vodka!!
