P.S. Can any of the moderators let me know if they can commit to setting up and closing the poll?

Thanks.

That is the rub isn't it?

Just so ya'll know, I thinks' its a swell idea, results and voting be damned. I'm in it for the fun of it.

And I'm sure the misappropriated prize money went to a good cause.. like hot babes playing miniature basketball in miniature bikinis at the wrap party right?right?
