The following are deemed to be 'in' because they said they wanted to be in and have an email in their profile...

Dark Knight

Matrixblur

Flux

Divine Monkey

Brick

Aharmona

Winterhawk

Tazman

Batmic, Bad Dog and Bikerbot (who would have thunk it? TroubleBot has no email) I'm still waiting on your emails, plus anyone else who wants to take part.

I know we've got more artists out there, do I have to name you? Don't worry about skill level - you could pick up some great tips and learn a lot from your team-mate.

Oh and Furious Max I need your email too (deadbeat).

Max - any resemblance to the road warrior is purely coincidental.
