Alright I am hoping that it isn't so but it looks like PeterCotton is a no show, so I am open to anyone else that would be interested in taking his place in the challenge. The only stipulation is that it needs to be 3D, that is why I challenged Pete in the first place, other than that I am open for suggestions. DarkWinter if you are interested in being a judge I would be happy to have you be on the panel, that is if you still want too. I have set my adult images aside for a bit to work on being a better artist.
