OK since Pete showed up before I could answer Skurges challenge, I propose a three way battle, if ti is alright with both of you? And it shall be latex fetish fighters at 20 paces, since I threw in the latex and Pete threw in the Fetish Fighter, what would you like to throw into the compition Skurge? I think this could be the biggest challenge of HeroMorph history!!! Even bigger than those to bed wetters in the other challenge!

So to Pete: Its on like Donkey Kong buddy!! And to Skurge: If Pete doesn't have a problem with a 3 way compition you are welcome to join us. Once everyone has agreed to the rules we will set a completion date and then we will crown the winner "King of Latex" BTW Skurge, what is a Skurge and can I skin it and hang it on the wall next to PeterCottons fuzzy little tail?
