OK, now that the contest is over, I have chosen not one but TWO people to receive renders as part of the Dream Girl series. I know Hawk, I know, I cheated in picking two instead of one. I have one thing to say about that Hawk...get over it!!

So without further hubbub the winners are ... Hubcap with 3 votes and Miss Vee. The winners will be notified when the renders are posted.

Thanks to all that submitted names for this contest.
