Round 1 and 1.5 of this year's Smackdown is over.
You all did well, the ones who posted images that is.

The scripts for Round 2 should be on your inbox already.

Round 2 deadline is August,31.

Now, go make more awesome images and most important, have fun.

Edit: Someone pointed me out about some confusion the script might cause on some of you... Let me say that there are No Mandatory scenes in any script of the Smackdown, including the one for Round 2. You choose wich part you want to do in your images.
