I haven't given all that much thought to which one's my favorite or what's better than what. So I'll try to just list 10.

Batman Begins  
The Dark Knight  
The Crow  
Xmen  
Xmen 2  
Spiderman  
Spiderman 2  
Superman  
Superman 2  
Iron Man

I was about to put in League of Extraordinary Gentlemen, but I remembered it's only a list of 10.
