Team Sticky Perv's? Come on Hawk, is that the best you can think of? I can think of several right now. Team Demented.

Team What the hell were you thinking of when you did that?

Team anal blasters. Team how much for your women? Team thats what your mom said. I could go on and on but I wouldn't want you to feel that bad.

By the Way...Where the hell is everyone else and their shit talking?
