I thought this was kinda cool... and if you are in Portland, you need to stop by and let us know what it is like.

Portland State University alumni Mike Richardson, founder and president of Dark Horse Comics, Inc., and Neil Hankerson, executive vice president, have donated copies of all publications generated by Dark Horse over the years to Portland State, and will continue to provide copies of all future items produced by the company. This generous gift will result in a complete collection of the Dark Horse corpus to be preserved in the Portland State University Library Special Collections.

Please join us in celebrating this historic archive on Thursday, October 16th at 7:00pm.
