I am glad that everyone has discussed the songs like Fartman was originally talking about.

I think that they are all Who songs because they want to keep the series related. You know just in case they want to do a cross over or something.

Oh, and Chilly... Don't you know in America we all scan fingerprints... that is how we roll!!!!

Yeah, and I don't know why he is putting on sunglasses over sunglasses... so don't ask.
