At least this season they have an entire season worth of shows ans it doesn't just end. I was very disappointed in last season... So, I too hope that this season doesn't suck.

Sorry, Bro...it's REALLY starting to suck!

There was an article on MS-NBC dot com yesterday (20 Oct 2008 ) about how bad it's gotten. I can figure that, if a mainstream newschannnel can see how awfull it's gotten...know what I mean?
