Tell you what there Mr. Fartmister, you can have miss Butterface Jolie and I will gladly take Miss Aniston off your hands, I think she would be the better of the two anyway. She sure doesn't have that used and abused look about her. Now all you have to do if find something for Prettyboy Pitt to do while you are slipping it to his wife.

Serously MC ? ... damn and i thought i knew you. lol

Thought you were more of a Kate B fan? Bianca Beauchamp? Claudia Black?

Aniston????? ...ewwwwwwww Blonde for a starters!!

Boys, boys... take it from a bi chick ... Given the choice between Angie, Anni, and Pitt...and its Ange all the way!!! You want depravity MC.. its Jolie and you know it.

p.s ... i think i may have just found Pitt something to do. lol Swinging anyone?
