One last question, where do I need to post my image to? In the thread itself or in the gallery? If in the gallery, could you link me the exact place please?

Thank you in advance!

Good question!

You can post it in the Heromorph Galley. Make sure that you put it in the category that the image is, (2D, 3D, Manip) and name the image EWF Entry : "(Image Name)".

Thanks for being a part of the contest and good luck!
