Hello again, sweeties.

The boys put their heads together and selected this years Heromorph Versus winners.

#1 for 3D is Yunnors with his entry, "The Storm Maker"

#1 for Manipulation is Drunkendragon with his entry, "All in Good Fun"

Each of them win a \$10 gift certificate to the Heromorph Store.

I can let you in on a little secret. The first place 3D winner was very close and was seriously debated.

Our Grand Champion is LiarsSmile with his entry, "One Shall Stand"

LiarsSmile has won himself a \$25 Gift Certificate to the Heromorph Store.

Sadly, we had no entries for 2D this year. Perhaps next year?

I want to thank each and everyone of our artists who entered our 1st Annual Heromorph Versus contest!

I'll see you around the website.
