That's a great image of supergirl you did.

Just so you know. We also have the main galleries to post art in when you are looking to get feedback on your images. <http://heromorph.com/heromorph2/modules/myalbum4/>

The galleries on your account are fine to use though but people just can't leave comments on the images themselves.

BTW I really really love your catwoman image. It looks like you used the V4 bodysuit texture I made. Awesome Image.
