Just released today the Legends of Thyadaris Bundle #1.

The legends of Thyadaris is a new line of products I am making for Heromorph all based in an exciting fantasy world filled with Wizards, Dragons, Angels and Demons. We have a number of Products and free items planned for this new line. To introduce The Legends of Thyadaris line of products I have made 2 Half Elf characters with custom head morphs. That are now available in either a bundle or individually.

Enjoy.

Bundle can be found [Here](#)
