Divine Monkey would kick my a\$\$ if he says he is good with knives... I for one can????????t use them too well. I guess if I stayed sober I might be pretty handy (pun intended) with a bladed weapon.

That image is just plain funny!!! I had to save it. And ???????Keep it light??????? around here?

Who is that serious? We are a bunch of folks that sit around and put naked people into clothes. My dad questioned my sexuality when he saw that I had put a totally nude... Totally hot girl into clothes.

I had to laugh!!!

And then I had to question my sexuality... JUST FREAKIN???????? JOKIN????????!!!!

OOOO????????OOOO-AHHHHH-AHHHHHH!!!! Is that what a monkey would sound like if he could type?
