Ok, since the Crossover Challenge was won by two artists from C2F (i.e., one of our guys wasn't even on the winning team!), it's been decided we'd have a better chance to win a Team-Up challenge if it's only Heromorph artists.\*Hee hee!\* Are you sure about that? What if the guys from C2F who are new members here win?

BTW by my count I have 45 manips posted to Heromorph, plus 3 in the works and this challenge will make 49. Are there any traditions for posting the 50th manip? Let's see, is that bubble wrap? I know ten is silver... Oh, wait a minute, am I in the right thread? ;)
