Oops. I forgot to drop an update

So I knocked off the gift 2 hours after I got the name. It's good, but I wasn't satisfied. 2 days later I tried again. It's good too, but..... So I took a shot at a different one of the 3 choices. It might not be as good as the first 2, but it makes me happy. So I'm stalling until I decide if I should ink it.
