What? I thought someone would go with any of the Spiderman's movies here, at least.

Way... Tooo... Obvious.

But here, OCP... this should make you feel better.

Superman Returns : Brandon Roth

Ah, Gotcha.

So...to keep things into the comics scene, here's one movie based from one of my favs readings, although the movie isn't all that great because as always the suits changed all the good things that make the books funny.

Dylan Dog: Dead of Night - Peter Stormare
