So okay.. I've recently caught a little grief from a fellow Heromorpher about my first Playboy cover and the art I used. Apparently, it's a violation of posting policy here on HM to use someone's work without permission? Uhm... isn't that on a technicality, what we've been doing with these flips? Thank you B for that eloquent answer to Darquelmages' question. I certainly couldn't have said it better. Indeed, Fair Usage is the correct term and is acceptable. BTW, anyone who knows B would know his opinion is anything but "completely amateur and ill-informed"
